ABOUT US

G&Y Products Inc. is a company that specializes personal care and fast-moving consumer products. Most notably, G&Y offers a line of household goods with its well-known high level of quality at an affordable price.

G&Y Products Inc. was formed to develop the G&Y brand in the United States of America, headquartered in New Jersey. G&Y has grown to be a well-rounded corporation with a talented team of salespeople, which has led to rapid sales growth throughout the Eastern United States. Furthermore, we aim to accelerate our expansion through investments in our brands, strong distribution partnerships in strategic markets, and the development of innovative products that respond to the specific needs of customers in each market.

G&Y Products Inc. currently has active operations in 52 states and Puerto Rico.

G&Y Products Inc. prides itself in offering products of high quality at an affordable price and backing up its products with strong customer support.
